#### INDEPENDENT ACCOUNTANT'S REVIEW REPORT

Board of Directors I Challenge Myself, Inc.

We have reviewed the accompanying financial statements of I Challenge Myself, Inc. (the "Organization") (a nonprofit organization), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

#### Accountant's Responsibility

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

#### Accountant's Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

#### Note 1 - Nature of Operations

I Challenge Myself, Inc. (the "Organization") is a nonprofit organization established in New York in 2003. The Organization uses fitness-based challenges and service learning that allow youth in low-income communities to develop physically, academically and socially.

The Organization's programs are founded on the premise that challenges provide opportunities to learn and grow. Perceiving challenges as opportunities allows youth to establish positive life skills in their critical adolescent years. The objective of the Organization is to create a movement that encourages youth to grow physically, mentally and emotionally. The Organization accomplishes this by providing hundreds of New York City public high school students with demanding challenges: long distance cycling, fitness contests, service-learning projects and college and career exploration. These challenges help students connect with their inner strength by setting and achieving goals. Students learn the value of teamwork, lead a more active lifestyle and expand their vision of future possibilities.

During the fiscal year ended June 30, 2021, the Organization served approximately 322 students through its fitness, cycling and college and career readiness programs. The Organization partnered with four New York City public high schools located in Manhattan and the South Bronx. The decrease in students served from the previous two fiscal years' totals of 371 and 700 students was due to the disruption of inperson programs due to Covid-19. The Organization did offer its programs via a hybrid of remote and in-person instruction from September 2020 to June 2021, but for a significantly reduced number of students.

#### Note 2 - Summary of Significant Accounting Policies

#### Basis of Accounting

The Organization's financial statements are presented on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

#### Basis of Presentation

The Organization's financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

#### Note 2 - Summary of Significant Accounting Policies (Continued)

#### **Basis of Presentation (Continued)**

**Net assets without donor restrictions:** net assets that are not subject to donorimposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

**Net assets with donor restrictions**: net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

#### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

#### Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

#### Note 2 - Summary of Significant Accounting Policies (Continued)

#### Allowance for Doubtful Accounts

The Organization uses the allowance method to account for uncollectible accounts receivable. The allowance for doubtful accounts ("Allowance") is based on management's analysis of possible bad debts based on historical collection experience and its assessment on the collectability of existing specific accounts. Bad debt recoveries are charged against the Allowance account as realized.

Specific accounts are charged off against the Allowance when management believes that the specific account is not collectible.

#### Grants Receivable

Grants receivable are stated at the amount management expects to collect from balances outstanding at year end. Based on management's assessment of the credit history with donors having outstanding balances and current relationships with them, it has concluded that realization losses on balances outstanding at year end will be immaterial.

#### **Revenue Recognition**

Revenue and expenses are recorded on an accrual basis. Revenues received for future periods are deferred to the applicable period.

#### **Contributions and Grants**

Contributions are recorded as net assets without donor restrictions or net assets with donor restrictions depending upon the existence and/or nature of donor restrictions. Support that is restricted by the donor is reported as an increase in net assets with donor restrictions as applicable. Amounts are reclassified from net assets with donor restrictions to net assets without donor restrictions when restrictions expire by passage of time or the fulfillment of the stipulated purpose.

#### **Donated Goods**

Those donated goods that meet the requirements for recognition under generally accepted accounting principles are reported as both revenue and expense (or, in some cases, as assets) in the accompanying statements of activities, at amounts determined by management to be reasonable for obtaining such goods.

#### Note 2 - Summary of Significant Accounting Policies (Continued)

#### **Functional Expenses**

The costs of providing various programs and other activities have been summarized on a functional basis in the accompanying statements of activities and functional expenses. Accordingly, certain costs have been allocated among the program services and supporting activities benefited. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

#### Expense

Salaries, payroll taxes and benefits Program expenses Professional fees Rent Travel Printing, postage and delivery Office supplies Insurance Telephone Dues and subscriptions Bank fees Meals Technology Professional development Depreciation Miscellaneous

Method of Allocation

Time and effort Purpose of services provided Purpose of services provided Use of space Time and effort Asset usage Asset usage Asset usage Asset usage Asset usage Asset usage Time and effort Purpose of services provided Purpose of services provided Asset usage Asset usage

#### **Property Assets**

Property assets are stated at cost, or if donated, at approximate fair value at the date of donation. Depreciation of property assets is provided on the straight-line method over the estimated useful lives of 5 to 7 years.

#### Income Taxes

The Organization files an annual Form 990, *Return of Organization Exempt from Income Tax*, with the Internal Revenue Service ("IRS"). At June 30, 2021, the Organization's Form 990s for the years 2017 through 2020 remain eligible for examination by the IRS.

#### Note 2 - Summary of Significant Accounting Policies (Continued)

#### Income Taxes (Continued)

The Organization adopted the provisions of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 740-10-05, relating to the accounting and reporting for uncertainty on income taxes. Because of the Organization's general tax-exempt status, ASC Topic 740-10-05 did not have, and is not anticipated to have, a material impact on the Organization's financial statements.

#### Note 3 - Risks and Uncertainties

The Organization maintains its cash balances at a major money center financial institution. Balances fluctuate during the year and may exceed the FDIC insurance limits. The Organization has not experienced any losses in such accounts and management does not anticipate nonperformance by the financial institution.

#### Note 4 - In-kind Contributions

During the year ended June 30, 2020, the Organization received a donation of indoor stationary bicycles. In the fiscal years ended June 30, 2021 and 2020, \$0 and \$9,035 was recorded as both property and equipment and revenue in the accompanying financial statements, respectively.

Under the Program, all or a portion of the PPP Note may be forgiven in accordance with the Program requirements. The PPP Note carries a maturity date of May 2022, at a 1% interest rate. No payments are required for 6 months from the date of issuance. The amount of the forgiveness shall be calculated (and may be reduced) in accordance with the requirements of the Program, including the provisions of Section 1106 of the CARES Act. No more than 25% of the amount forgiven can be attributable to non-payroll costs, as defined in the Program. During September 2021, the PPP Note payable of \$23,600 was forgiven.

#### Note 11 - Program Service Providers

In September 2019, the Organization was awarded a two-year Youth Engagement in Sports ("YES") grant from the United States Department of Health and Human Services to increase sports participation and nutrition outcomes among middle school students in the neighborhoods of Washington Heights and Inwood, in Northern Manhattan. The YES grant required the Organization to collaborate with youth sports and nutrition organizations to provide a robust program. As a result, the Organization subcontracted a number of organizations to provide sports and nutrition programming. The YES grant also includes a research component. The Organization also contracted a third-party to evaluate its Healthy Heights YES program. As a result of these subawards and third-party evaluation, the Organization expended a total of \$124,721 in fees to program service providers during the year ended June 30, 2021.
